WHO WE ARE

Leather, Made Properly — In-House in Sialkot

Safe-T TECH International is a Sialkot-based clothing manufacturer, and leather is one of our core crafts. Our leather division runs **fully in-house** — pattern making, cutting, stitching, hardware fitting, finishing and quality control under one roof, exporting to brands and retailers across North America and Europe.

ANY QUALITY, TO REQUIREMENT

- **A Grade and AB Grade** selections, full-grain hides, lambskin and premium calfskin
- Cowhide, sheepskin, goatskin and suede — **0.7 to 1.4 mm** across the range
- Every hide inspected before cutting; faulty panels rejected, not hidden

FULLY IN-HOUSE

- Pattern, cutting, stitching, hardware, finishing and QC — **nothing outsourced**
- Custom linings, premium hardware and private-label finishing as standard

BUILT FOR YOUR BRAND

- **Low trial quantities** let you test a style before committing to volume
- Your labels, hang tags, branded hardware and retail-ready packaging
- Third-party pre-shipment inspection welcome at any stage

100% In-House

25–35 Days First Order

MEN & WOMEN

Premium Handcrafted Leather Jackets

Biker, café racer, bomber, trucker, hooded and suede jackets — twelve catalogue styles plus your own designs, in cowhide, lambskin, sheepskin and goat suede.

Left: Rider Classic biker in cowhide with quilted shoulders. Right: Milano long coat styling from the women's range.

CONSTRUCTION

- Quilted panels, princess seams and tailored fits — **stitched panel by panel in-house**
- Metal zips, snaps, buckles and rivets in antique silver, gunmetal, brass and gold-tone
- Viscose, satin, quilted and custom printed linings

YOUR SPECIFICATION

- Any style adapted: fit, length, pockets, quilting, hardware and colour
- Embossed or debossed logos; your labels and packaging
- Sizes **XS–3XL** men, **XS–XXL** women — or your own grading

MEN & WOMEN

Leather Pants & Trousers

Five-pocket jeans cuts, padded moto pants, tailored trousers, cargos and suede styles for men; high-waist skinny, flare, wide-leg and moto cuts for women — ten catalogue styles, part-lined to the knee for comfort.

Classic five-pocket and tailored cuts, executed in cowhide, sheepskin, lambskin and goat suede.

RANGE HIGHLIGHTS

- **Moto GP pants** with quilted, padded knee panels and zip ankles
- Tailored slim and wide-leg trousers for the smart end of the wardrobe
- Riveted stress points and double-stitched seams throughout

FIT & SIZING

- Men's waist **28–40**; women's **XS–XXL** (waist 26–36)
- Patterns graded with wearing ease — leather relaxes slightly with wear
- Your size chart and fit block followed exactly on request

WORK & SAFETY

Leather Work & Safety Gloves

Gloves are the largest line in Pakistan's leather exports — and a core line for us. Impact, welding and general work gloves built in Sialkot's specialist glove tradition, to your pattern and specification.

Left: Impact Pro rigging gloves with TPR knuckle protection. Right: split-cowhide welder's gauntlets.

IMPACT & RIGGING

- Moulded **TPR impact guards** across knuckles and fingers
- Reinforced double-layer palms; Kevlar-blend stitching options
- Manufactured to the mechanical-performance requirements of **EN 388**

WELDING & HOT WORK

- Split cowhide gauntlets with welted seams and Kevlar-blend thread

GENERAL WORK

- Full cowhide palm drivers and riggers — Gunn cut, keystone thumb
- Winter lines with thermal fleece lining and wind-seal cuffs
- Mechanic's goatskin gloves for dexterity work

S–XXL Glove Sizes 7–12

EN 388 Build Standard

EVERY TRADE

Driving, Garden & Dress Gloves

Beyond the worksite: perforated driving gloves, thorn-proof garden gauntlets and formal lambskin dress gloves — eight glove styles in the full catalogue, every one adaptable to your label.

Left: garden and landscaper gauntlets with reinforced palms. Right: classic perforated driving gloves.

LIFESTYLE LINES

- **Driving gloves** — lambskin, knuckle cut-outs, snap-strap wrist
- **Dress gloves** — piqué-stitched lambskin with fine knit linings
- **Garden gloves** — reinforced palms, breathable backs, gauntlet cuffs

MADE TO YOUR DESIGN

- Your pattern, leather, colour and cuff style — sampled in 7–10 days
- Private label: your brand printed, embossed or woven into the glove
- Retail pairing and packaging to your specification

MEN & WOMEN

Leather Vests & Coats

Club-style biker vests, utility vests and tailored women's vests; full-length coats, belted trench styles and three-quarter car coats — the layering and statement end of the leather range.

Left: Outlaw biker vest with side-lace adjustment. Right: Siena belted trench coat in camel sheepskin.

VESTS

- Biker vest with **patch-ready one-piece back** and leather side laces
- Utility vest with bellows cargo pockets in washed cowhide
- Tailored women's vest with princess-seam shaping

COATS

- Full-length Regent coat with belted back and centre vent
- Trench detailing: storm flap, epaulettes, self-leather tie belt
- Car coat in a clean three-quarter city cut

WORK LEATHER

Welder & Workshop Aprons

Heavy split-cowhide protection for welding and forge work, and full-grain craftsman aprons for butchers, woodworkers and workshops — work leather built to outlast the job.

Left: Forge welder's apron in split cowhide. Right: Craftsman workshop apron with cross-back straps.

FORGE WELDER'S APRON

- One-piece bib in **1.2–1.4 mm split cowhide** — no front seams to catch sparks
- Kevlar-blend thread at stress points; buckled neck and waist straps
- 60 × 90 cm and 60 × 120 cm lengths

CRAFTSMAN WORKSHOP APRON

- **Cross-back straps** carry weight on the shoulders, not the neck
- Split kangaroo tool pocket plus chest pocket; brass rivets throughout
- Full-grain cowhide that ages with character

LEATHER & MATERIALS

Know Your Leather

The right hide decides how a product wears, ages and sells. We guide every buyer through the selection — and manufacture in any quality your market requires.

THE HIDES

- **Cowhide** — strong and structured; jackets, pants, gloves, aprons
- **Sheepskin / lambskin** — soft and light; women's styles, dress gloves
- **Goatskin & suede** — fine grain and velvet nap; mechanic and fashion lines
- **Premium calfskin** — fine, even grain for top-tier ranges

CRAFT, STEP BY STEP

- Patterns graded from your tech file across the full size range
- Hides inspected panel by panel; cutting matched for tone and grain
- Edges dressed, surfaces conditioned, every piece QC-checked before packing

A / AB Grades

Full-Grain Options

INSIDE THE FACTORY

Private Label, Packaging & Quality

Your brand on every seam — embossed logos, custom linings, your labels, hang tags and packaging, with documented quality control on every order.

MADE TO YOUR DESIGN

Send us your design, tech file or even a photo — we manufacture it exactly to your specifications: your leather quality, your sizes, your colours. Your brand, your tags: we sew in **your brand label**, and a 'Made in [Your Country]' tag if you want it — otherwise we use our standard 'Made in Pakistan' tag.

QUALITY SYSTEM

- In-line checks at cutting, stitching and finishing
- Final inspection to **AQL 2.5** before packing, with photos on request
- Independent third-party inspection welcome at any stage

FINISHING

- Embossed or debossed leather logos; branded hardware
- Custom linings — plain, printed or branded
- Polybags, boxes and retail-ready presentation
