WHO WE ARE

A Factory Built for Streetwear Brands

Safe-T TECH International is a direct factory partner for streetwear labels, collegiate programs and fashion brands worldwide. Leveraging Sialkot's century-old tanning and textile heritage, we run turnkey private-label manufacturing — leather outerwear fully in-house from cutting to final stitching, heavyweight fleece milled to spec, and complete branding and packaging.

7–10 days	15–50 pcs	100% in-house	Men + Women
SAMPLING LEAD TIME	TRIAL MOQS PER STYLE	LEATHER: CUTTING TO FINAL STITCH	EVERY LINE, BOTH CUTS

WHY BRANDS CHOOSE US

- **Your tech pack, exactly** — send a design, photo or sketch; we develop it to spec.
- **Low trial MOQs** — prove a style with 15–50 pieces before scaling.
- **Full private label** — woven labels, hang tags, branded packaging, custom hardware.
- **Photo-proof before dispatch** — finished goods photographed for your approval before shipping.

HOW ORDERING WORKS

- **1.** Share your design or tech file (even a photo or sketch).
- **2.** Exact quotation within 24 hours — no blind pricing.
- **3.** Sample in 7–10 working days (leather first orders: 25–35 days production).
- **4.** Bulk production, AQL 2.5 final audit, export packing.

Finished outerwear packed and ready for export dispatch at our Sialkot unit.

MEN & WOMEN

Premium Handcrafted Leather Jackets

Bespoke motorcycle, cafe racer, bomber and contemporary fashion jackets — produced fully in-house, from hide selection and cutting to final stitching, finishing and QC.

Bespoke asymmetrical moto jacket in full-grain milled cowhide; fitted women's biker in drum-dyed sheep nappa.

MATERIAL & LEATHER SELECTION

- **Full-grain cowhide (1.1–1.3 mm):** maximum abrasion resistance, rich pebble grain — ideal for motorcycle and structured jackets.
- **Drum-dyed sheep nappa (0.8–0.9 mm):** ultra-soft luxury handfeel, fluid drape for fashion bombers and women's cuts.
- **Split goat suede & buffalo hide:** brushed matte suede and vintage pull-up finishes.
- Grades to your requirement: **A Grade, AB Grade, full-grain, lambskin, premium calfskin** — swatch sets available for your review.

HARDWARE & INTERIOR

- **Zippers:** certified original YKK metal teeth (antique brass, matte black, gunmetal, shiny nickel).
- **Linings:** breathable cotton twill torso with diamond satin quilted sleeves; custom printed linings on request.
- Dual interior chest pockets (one zippered, one leather-trimmed), concealed key loop.
- Trims sourced to your exact instructions; hot-stamped leather neck patches, laser-engraved zipper pullers, custom stamped snaps.

MOQ **15–20 pcs / colour** | First order **25–35 days** | Production **100% in-house**

Finishes **Hand-distressed · Oil pull-up**

MEN & WOMEN

Varsity & Letterman Jackets

Our signature varsity program: heavy 24oz melton wool bodies, authentic leather sleeves and high-density chenille embroidery — for high-school and collegiate awards and high-end streetwear capsules alike.

Navy letterman with chenille chest letter; burgundy-cream varsity with chenille star and shield patches, striped ribbing throughout.

COMPONENT MATRIX

Component	Standard Spec	Custom Options
Body	24oz heavy melton wool	Corduroy, canvas, satin
Sleeves	Full-grain cowhide	Sheepskin, PU, wool
Lining	Diamond quilted poly	Custom printed satin
Closure	Heavy enamel snaps	Full YKK zip + snap flap
Ribbing	2x2 heavyweight acrylic	Spandex-reinforced wool
Pockets	Slash leather welts	Zippered outer pockets

CHENILLE & EMBELLISHMENT

- **High-density chenille embroidery:** 3D looped yarn crests on single or double-layer felt backings.
- **Direct chainstitch script:** vintage cursive detailing on chest and back yokes.
- **Tackle-twill cut & sew:** multi-layer stitched numbers and lettering with satin edge embroidery.
- Complete Pantone dye matching across wool bodies and acrylic knit ribbing; custom branded snap caps and woven inner tags.

MOQ **20 pcs / style** | Samples **7–10 days** | Body **24oz melton wool** | Sleeves **Genuine leather**

MEN & WOMEN

Heavyweight Hoodies

Engineered for streetwear labels that demand dense, structured fits. We mill custom French Terry and brushed fleece from 350 GSM up to 500+ GSM heavyweight grades with zero-shrinkage treatments.

Men's washed-grey oversized pullover (500 GSM class); women's cropped cream hoodie with matching joggers.

FABRIC WEIGHTS

- **350–380 GSM mid-weight:** 100% combed cotton 3-end fleece, soft brushed interior — all-season layering.
- **420–460 GSM heavyweight:** dense diagonal French Terry, structured loopback for a crisp drape.
- **500+ GSM ultra-heavyweight:** compact pre-shrunk luxury weight; rigid double-layer hoods that stand upright.

CONSTRUCTION

- Boxy drop-shoulder cuts (men) and cropped/oversized blocks (women); seamless flat-finish kangaroo pockets with bartack stress points.
- 1x1 heavy cotton/lycra ribbed cuffs and hem; double-needle flatlock coverstitching throughout.
- Custom engraved metal cord aglets and matching grommets; your embroidery or puff print at chest.

MOQ **25 pcs / colourway** | Samples **7–10 days** | Weights **350–500+ GSM** | Fits **Boxy · Cropped · Oversized**

MEN & WOMEN

Sweatshirts & Crewnecks

Minimalist crewnecks with the weight and ribbing of premium retail fleece — clean canvases for your chest embroidery, scripts and prints.

Men's drop-shoulder boxy crewneck in 400 GSM French Terry; women's oversized crew in sage.

FABRIC & FIT

- 350–450 GSM French Terry / brushed fleece with zero-shrinkage treatment.
- Thick 2x2 rib collar, cuffs and hem; relaxed drop-shoulder chest profile.
- Men's boxy and regular blocks; women's oversized and cropped blocks.

BRANDING

- Minimalist chest script embroidery, tonal prints and puff details.
- Garment-dyed and mineral-wash colour stories matched across your capsule.
- Woven hem labels and private-label neck prints included in program pricing.

MOQ **25 pcs / colourway** | Samples **7–10 days** | Fabric **350–450 GSM fleece**

MEN & WOMEN

T-Shirts & Graphic Tees

The foundation of every streetwear drop: heavyweight boxy tees with the structure to carry big graphics — and the print studio to execute them.

Men's heavyweight black boxy tee; women's oversized white tee with full-colour graphic print.

FABRIC & FIT

- 220–280 GSM heavyweight carded-open-end and combed cotton jersey; pre-shrunk.
- Boxy drop-shoulder blocks (men), oversized and baby-tee blocks (women); thick ribbed collars that keep their shape.
- Side-seamed construction — no torque twist after washing.

GRAPHICS

- Screen print, 3D puff, high-density gel and discharge printing (studio details on page 11).
- Chest and back placements up to full A3+; embroidery for logos and small motifs.
- Vintage pigment garment dye and mineral washes for worn-in drops.

MOQ **50 pcs / design** | Samples **7–10 days** | Fabric **220–280 GSM cotton** | Print **Puff · Screen · Discharge**

MEN & WOMEN

Sweat Sets & Tracksuits

Coordinated two-piece programs — full-zip sets, half-zip crops and classic tracksuits — with tops and bottoms colour-matched in the same dye lot.

Men's charcoal full-zip sweat set; women's dusty-pink half-zip tracksuit set.

CONSTRUCTION

- Full-face zip construction using two-way YKK VISLON or metal zips, with anti-wave tape reinforcement for ripple-free zipper tracks.
- Elastic tunnel waistbands (2-inch multi-stitch elastic) with interior or exterior flat drawcords.
- Cuff treatments: elasticated ankle cuffs, open straight-leg hems, or bungee-cord toggles.

COLOUR MATCHING

- **Lab-dip Pantone matching** between tops and bottoms — sets arrive as one colour, not two close ones.
- Deep side welt pockets, rear concealed zips and reinforced crotch gussets on bottoms.
- Men's, women's and unisex blocks graded from one design family for full-capsule drops.

MOQ **25 sets** | Samples **7–10 days** | Zips **Two-way YKK** | Matching **Lab-dip Pantone**

MEN & WOMEN

Cargos, Joggers & Bottoms

From tactical cargo pants to tailored sweat trousers — bottoms engineered with the hardware, pockets and waistbands your customers notice.

Men's olive cargo with bungee ankle toggles; women's beige wide-leg cargo with fitted crop top styling.

THE RANGE

- **Cargo pants:** heavy twill, ripstop and Taslan nylon; 6-pocket tactical layouts, snap and flap closures.
- **Joggers & sweatpants:** fleece and French Terry with elastic tunnel waistbands and cuffed or open hems.
- **Sweat shorts & trousers:** above-knee sweat shorts, wide-leg open-cuff fleece trousers, tailored woven-cotton pants.

TAILORING DETAILS

- Custom drawcords with engraved metal aglets; bungee-cord ankle toggles.
- Deep side welts, rear concealed zip pockets, reinforced crotch gussets.
- Men's tapered/relaxed and women's wide-leg/high-rise blocks; sizes XS–3XL.

MOQ **25 pcs / style** | Samples **7–10 days** | Fabrics **Twill · Ripstop · Fleece**

MEN & WOMEN

Bombers, Puffers & Outer Jackets

Statement outerwear beyond leather: flight bombers, puffers and utility jackets with retail-grade hardware and finishing.

Men's olive MA-1 bomber with utility sleeve pocket; women's glossy cropped puffer with stand collar.

BOMBERS

- MA-1 flight construction: matte nylon twill shell, quilted lining, ribbed collar/cuffs/hem.
- Utility sleeve pocket with zip; satin and varsity-hybrid bomber options.
- Embroidery and patch placements on chest, sleeve and back.

PUFFERS & MORE

- Cropped and full-length puffers: matte or gloss shells, thermal fill, funnel stand collars, bungee hems.
- Coach jackets, denim jackets and utility overshirts for layered capsules.
- Water-resistant finishes; custom zip pulls, snaps and branded hardware.

MOQ **20–30 pcs** | Samples **7–10 days** | Styles **Bomber · Puffer · Coach · Denim**

THE STUDIO

Print & Embellishment Studio

Every decoration technique a streetwear capsule needs — executed in-house and matched to your artwork, fabric and price point.

PRINT TECHNIQUES

- **3D puff silkscreen** — raised graphics with a premium hand-feel.
- **High-density gel & discharge printing** — sharp detail, soft zero-hand-feel vintage prints.
- **Standard screen print** — up to full A3+ placements, front and back.
- **Garment dye & washes** — pigment dye, mineral wash and silicone enzyme baths for worn-in character.

EMBROIDERY & FINISHING

- **Embroidery** — flat, 3D puff, chenille and chainstitch; patches with merrowed edges.
- **Distressing** — hand-finished rips, fraying and abrasion to your reference.
- **Custom trims** — engraved metal aglets, grommets, zipper pullers, snaps and woven hem labels.
- Every technique sampled on your actual fabric before bulk — no surprises in production.

INSIDE THE FACTORY

Private Label, Packaging & Quality

Your brand on every seam — and a two-stage quality system that checks every garment before it leaves Sialkot.

BRANDING & PACKAGING

- **Branded neck labels:** high-definition damask woven tags; satin printed wash-care labels.
- **Hangtags:** 350–600 GSM matte/soft-touch cardstock with embossed logos and safety pin cords.
- **Packaging:** custom frosted matte ziplock bags with brand logo and ventilation holes; gift boxes on request.
- Leather programs add hot-stamped leather patches and engraved hardware with your mark.

OUR PROCESS

- **1. Pattern & grading** — your spec across men's and women's size ranges.
- **2. Cutting** — in-house (leather and fabric), panel-checked before stitching.
- **3. Stitching & embellishment** — specialist lines per product family; in-line QC at every stage.
- **4. Final audit** — AQL 2.5 inspection, measurement checks, photo report before dispatch.

Final pressing at our Sialkot unit — every piece checked by hand.
