ABOUT US

Kids’ Clothing, Made Under Your Label

Safe-T TECH International is a Sialkot-based clothing manufacturer, established in 2020, with a dedicated kids & baby wear division covering **newborn to 13 years** — Pakistani eastern wear and western styles under one roof, all cut, stitched, finished and quality-checked in-house.

Our partners are **kids’ retail chains, boutiques, online brands and importers** who need a manufacturer that starts small and grows with them. Whether you currently import your kids’ range or buy locally, we supply both ways: **local supply across Pakistan** for domestic retailers, and export programmes for buyers in North America, Europe and beyond.

Everything in this catalogue can be produced **under your own label**: your tags, your packaging, your prints and embroidery. Trial quantities of 15–50 pieces per style let you test a size band or a whole season’s range before committing to volume.

Every style in this catalogue is graded across four age bands. Sizes are labelled by age as standard; height, chest and waist measurements follow your own size chart wherever you have one — send it with your tech file and we grade exactly to it.

Fabrics We Work In

- **Cotton lawn, cambric & voile** — eastern sets and summer frocks, breathable in hot climates.
- **Fleece (280–300 GSM)** — hoodies, sweatshirt sets and winter layers, brushed inside.
- **Denim (10–12 oz)** — jeans, dungarees and jackets, with wash options from light to black.
- **Net, tulle & satin** — party and festive frocks, always with a smooth comfort lining.
- **Embroidery fabrics** — jamawar-look waistcoats, zari and thread work for Eid and festive sets.

Child-Safe Finishing, As Standard

- Nickel-free snaps and tested hardware on baby lines; no hood drawcords on small sizes.
- Soft, backed embroidery and pre-washed fabrics on newborn and toddler styles.
- Every piece checked piece-by-piece before packing — measurements, stitching, trims and labels.

MADE TO YOUR DESIGN

Send us your design, tech file or even a photo — we manufacture it exactly to your specifications: your fabric quality, your sizes, your colours. Your brand, your tags: we sew in **your brand label**, and a ‘Made in [Your Country]’ tag if you want it — otherwise we use our standard ‘Made in Pakistan’ tag.

HOW TO ORDER

From Your Design To Your Shelves

1 **Share the design**

Send a tech file, a design, or even a photo of the style you want — with your sizes, colours and fabric in mind. No design of your own? Choose any style in this catalogue and we develop it in your colours and label.

2 **Approve the sample**

We return a finished sample in 7–10 working days, made to your fabric and size chart, with your label sewn in. Check the fit on your own size models and tell us any correction — we adjust before production.

3 **Confirm your trial order**

Trial orders start at 15–50 pieces per style, sizes mixed inside the band. Local Pakistan buyers can start with a single store's range; export buyers can test one band before rolling out the full 0–13 range.

4 **Production & quality check**

Your order is cut, stitched and finished in-house, then checked piece-by-piece — measurements, stitching, embroidery, trims and packing — before a single carton is sealed.

5 **Delivery, your way**

Local supply across Pakistan for domestic retailers; export dispatch by air or sea for international buyers, packed retail-ready with your tags, labels and packaging.

MADE TO YOUR DESIGN

Send us your design, tech file or even a photo — we manufacture it exactly to your specifications: your fabric quality, your sizes, your colours. Your brand, your tags: we sew in **your brand label**, and a 'Made in [Your Country]' tag if you want it — otherwise we use our standard 'Made in Pakistan' tag.
