ABOUT US

One Factory, Every Age From Newborn To 13

Safe-T TECH International is a Sialkot clothing manufacturer, established in 2020. Our kids & baby wear division makes **Pakistani eastern wear and western styles** across four age bands — newborn 0–12 months, toddler 1–3 years, kids 4–8 years and pre-teen 9–13 years — all under one roof.

We work with **kids' retail chains, boutiques, online brands and importers**. If you currently import your kids' range, we can manufacture the same range to your designs, locally: **local supply across Pakistan**, plus export programmes for buyers worldwide — always under your own label, from trial runs of just 15–50 pieces per style.

How It Starts

- Share the design — sampling takes 7–10 working days, and we share photos or ship the sample for your approval before any production.

MADE TO YOUR DESIGN

Send us your design, tech file or even a photo — we manufacture it exactly to your specifications: your fabric quality, your sizes, your colours. Your brand, your tags: we sew in **your brand label**, and a ‘Made in [Your Country]’ tag if you want it — otherwise we use our standard ‘Made in Pakistan’ tag.

HOW TO ORDER

From Your Design To Your Shelves

1. **Share the design**

   A tech file, a design, or even a photo — with your sizes, colours and fabric in mind. Or choose any style from our kids catalogue and we develop it in your colours and label.

2. **Approve the sample**

   A finished sample in 7–10 working days, with your label sewn in. Check the fit and finish; we adjust any correction before production.

3. **Confirm your trial order**

   Start with 15–50 pieces per style — one age band or the full 0–13 range, sizes mixed inside the band.

4. **Production & checking**

   Cut, stitched and finished in-house in Sialkot, then checked piece-by-piece before any carton is sealed.

5. **Delivery, your way**

   Local supply across Pakistan for domestic retailers; export dispatch by air or sea for international buyers — retail-ready, in your packaging.
